2017 Eddis Majestic 115 2 Berth 2 Belted motorhome. This van has just come in and in excellent condition inside and out and is very very low mileage. The van layout consists of two small bench seats that can be utilised as a double or if you swivel the captains chairs around they can be used as two singles. The van, being a Majestic comes with a host of extras and is loaded with all the bells and whistles you could need. I cannot see this van being around for long, so please give us a call if you are looking for a nearly new 2 berth in fantastic condition.
